### Juliet at the beach

Juliet is blonde with long hair, blue eyes, slim, and quite tall for an eleven year old girl, she is still a shy little girl.

Juliet is in a crowded beach with her older brother who is sixteen, he is wearing shorts, she is wearing a small blue bikini bottoms tied up to her waist with a lace on the side, Juliet is also wearing a matching bikini top even though she has no tits yet, only has tiny nipples sticking out of her chest.

Juliet's brother approaches her little sister who is sleeping on the towel, he undoes her bikini bottoms string without Juliet noticing, he then slowly pulls out her bikini from behind uncovering Juliet's little ass and returns to his place pretending to sleep.

Juliet wakes up, not realising that her bikini bottom is undone she stands up provoking her bikini bottoms to be left on the towel, Juliet is walking towards the sea with dozens of people looking at her hairless pussy, she is still wearing her blue bikini top covering her tiny tits, that makes some people stare at her, even for an 11yo girl it looks weird to cover up her flat chest and not her little bald cunt.

Her brother watches Juliet walk away nude from waist down, he uses the opportunity and grabbing Juliet's bikini bottoms from the towel he quickly buries them in the sand, goes back to his towel and again pretends to be sleeping.

Juliet is now by the seashore getting into the water, a couple of men keep looking at her smiling, she ignores them. The water reaches her waist and Juliet feels the cold water wet her childish bald cunt.

Juliet realises that her bikini bottom is missing, she panics and blushing she starts to run towards her towel, Juliet feels really embarrassed, she places one of her hands on top of her bald cunt and calls his brother.

-“Oh! My God! I've lost my bikini bottoms James! Have you seen them”

-“Wow sis! Why are you nude waist down?”

-“Please help me find my bikini bottoms”

-“You look very pretty like this sis, don't worry about it”

-“All boys are looking at me bro!”

-“Aren't you happy? That is a compliment, it means you are a pretty girl, let me look at your cunnie too sis”

-“Bro! Please! Stop teasing!”

-“Come on Juliet, everyone but me has seen it!”

-“Bro stop!”

-“Silly girl! If you don't show me your pussy I will tell all your friends that you have been tanning naked like a little girl at the beach”

-*"No please!"*

-*"Well you have a choice sis, make up your mind quickly because my patiente is running out, will you show me your pretty cunnie or do I have to talk about you at school?"*

Juliet slowly takes off her hand from her lolita pussy, her 11yo smooth bald cunt appears, her brother stares at it smiling. He also gets a hard on.

-*"And your titties too sis"*

Juliet loosens up her bikini top and let's it drop on the sand. The blonde eleven years old girl is on her towel fully nude with tits no bigger than peaches and a bald cunt, her older bro looking at her with lust, Juliet feels mortified at the thought of everyone around her who maybe watching.

-*"You are so pretty sis, why don't you just forget about your bikini for the rest of the day and have fun?"*

-*"No! I want to go home!"*

-*"I am not going to go home just because a brat like you lost her bikini, you will have to stay nude until the afternoon Juliet!"*

Julie sheds a couple of tears

-*"Bro please! Let's go home! I am nudie! Many boys are looking at me!"*

-*"Nonsense! I will show that nobody cares about a nude little girls, you even haven't got any pussy hair yet! Hold my hand and come with me Juliet"*

James takes his nude 11yo sister for a walk through the middle of the crowded beach, he is wearing his shorts and his nude little lolita sister is

holding his hand, red faced and uncomfortably looking around.

Juliet and James cut across many young men, women and children but only a handful of them stare at the nude little girl.

Juliet feels now much more at ease being naked at the beach, her rosy cheeks have gone away and she happily talks to her brother about how delightful it is being nude at the beach.

By the time they go back to their towel walking at least two hundred people have seen Juliet's 11yo bald's cunt and her puffy tiny boobs.

Juliet spends the rest of the day at the beach in the nude. Her brother James loves being able to watch his little sister naked.

To much of her enjoyment, Juliet decides to build some sand castles at the waterfront, Juliet spends a whole hour all nude, on her fours and displaying her smooth cunt from behind to everyone who is lucky enough to be at the front row at the beach.

James notices that apart from himself quite a few men are getting hard ons watching his nude 11yo preteen sister playing with the sand and building sand figures.

After having a picnic at the beach with Juliet still naked, and by now really tanned all over, James and his sister pick up their stuff and go to the showers at the back of the beach.

His eleven years old sister takes a shower, her wet body shines, James cock starts to leak a bit of cum while watching his nude 11yo sister washing herself and touching all over.

James spots a man far away with a camera and a zoom and appearing to take some photographs of his naked little sister washing, he does not really

care and does not say anything to Juliet to avoid embarrass her.

He wraps his sister's prepubescent wet body with a big towel and dries Juliet all over paying special attention to her little pussy. James is feeling happy as he rubs his sister's bald pussy with the soft towel, Juliet looks really gorgeous with her long blonde wet hair, nude and smiling.

James tells his sister to keep the towel wrapped around her body because the bikini has still not appeared and Juliet has no other clothes.

James convinces Juliet to walk all the way home, as they walk he cracks a couple of jokes about Juliet's being nude at the beach and old dirty men having heart attacks, that makes her laugh too.

As they get near a grandpa holding a stick, sitting on a bench and staring at them.

-**"Come on Juliet! Give him a heart attack!"** - laughs James.

-**"Oh! How bad you are bro!"**

Juliet doubts for a second, then takes off the towel wrapped around her body and gives it to her brother. Juliet's eleven year old nude body, with her perky tits and bald pussy make the old man open her eyes like oranges, Juliet sticks out her tongue at him and then she and James laughing like devils start running with Juliet still in the nude.

Little Juliet walks with her brother the rest of the way home refusing to wrap the towel again around her body, she seems to enjoy watching people's face as they see her naked on the pathway and makes fun out of them talking to her older brother James about it.

The kids get home, ring the bell and daddy opens the door, his face becomes red with shame looking at his eleven year old daughter nude, he had never

realised how beautiful his little angel was and his feelings distress him.

-*"Juliet! What are you doing naked outside?"*

-*"You will laugh at it daddy, but I lost my bikini at the beach"*

-*"You are really a hell of a trouble girl! By now dozens of people will have seen your little pussy!"*

-*"Yeah daddy, I am sorry"* – Juliet, still fully naked hugs her dad provoking a bulge on him.

-*"OK , OK, just go to the bath and forget about it sweetie, a little girl like you can go nudie around whenever she likes, you are still smooth down anyway, little girls need not to worry about being naked"*

Her daddy hopes that Juliet will decide to go around the house nude more often and smiles to James who is obviously aroused and staring at his nude little sister.
