### Somali Orphaned Girls

This story begins after my wife died, after a long search for a spouse I had settled down with a woman from Somalia we had only been married for a month when she brought to England her two daughters from Mogadishu and one week after that we had such a bad luck that she died in a freak traffic accident.

I found myself in grief, single again, and in charge of two pretty little girls, Amal who was 8 years old, and her sister Samira who was 10 years old, very thin and much taller than her sister.

Both little girls spoke fluent English but they were not used to our customs yet and always wore a long dress covering them up from head to toes exposing only their cute little brown faces, aka hijab.

In order to make them try to forget about the bad time we were going through I decided we would go on holiday for two weeks to my second home in France near the coast, and isolated house with a quite nearby small beach, only sporadically visited by the small number of people neighbouring it.

After a long car journey with only one stop, we got to the house, I unloaded

everything and we went straight to bed after a eating only a sandwich for dinner.

I woke up the girls at nine o'clock in the morning, opening the curtains and letting the sunlight come in, to my surprised the girls had slept with their dresses on, I was determined to start teaching them a lesson.

-*"Come girls! Don't you want to go to the beach?"*

I grabbed a picnic basket and Amal and Samira followed me towards the small sandy beach without too much enthusiasm, there was nobody yet at that time, we headed towards the back of the beach where I set up our towels on the floor, I took off my t-shirt and shoes, then I lied down on my swimming suit over the towel, Samira the 10yo was about to do the same when I stopped her.

-*"You can't get sunshine like that Samira! Look at yourself! Come on take off your hijab before lying down on the towel!"*

Samira looked down embarrassed.

-*"But daddy, I can't..."*

-*"What do you mean you can't? What's the problem you silly girl?"*

-*"Well...- Samira blushed as her sister kept quite looking down- it would not be right and besides that I am not wearing anything underneath"*

-*"There is nobody here! Stop making up excuses and take off your dress right now! And you too Amal!"*

Both girls kept in silence, embarrassed and confused.

-*"I had enough! How dare you disobey your dad!"* - I quickly stood up

grabbed Samira's dress from the bottom and pulled it up swiftly not giving her enough time to do anything and leaving my 10 year old step daughter fully nude.

Samira was really pretty underneath, even though she did not have grown up tits yet and her little brownie pussy was still hairless, her long legs were smooth and silky, 10yo Samira attempted to cover up her bald pussy with her hands but I grabbed her wrists and pulled them upwards, holding her in that position for at least two minutes at which point she stopped struggling, but some tears came down from her dark eyes.

-*"Daddy, daddy...I am nude... please..."*

I released her and grabbed her waist softly trying to calm her

-*"Come on Samira, don't be silly, there is nobody here, you can't be at the beach wearing your long hijab, it's hot and sweaty"*

Samira stopped crying and sat down on the towel, and I followed her to her side placing my hand on her back and rubbing it.

-*"Don't you like it my little angel? Don't you like daddy giving you a little massage on your soft chocolate lolita skin?"*

In all this Amal was still standing looking at us not saying a word but trying to avoid eye contact with her sister's naked body.

-*"Come here next to me Amal"*

And she sat down on my other side, I turned towards her and all of a sudden I pulled her dress out of her leaving her too fully nude and I tickled her small flabby chest with my fingers making her laugh. Her body seemed polished with coffee, her small brown hands defended against my tickling so that I went further down on her to her hairless mound and I tickled her in there making

her laughing even more, in all this her sister Samira had joined us and I felt her nude body against mine trying to stop me tickling her sister, so I turned my attention to her and reduced her to a small sack of laughs and tremors with my fingers touching every inch of her now naked brown smooth silky body.

We all three lied down to the heat of the Sun, with Samira and Amal in the nude with both hairless sweet pussies facing up, and I was still wearing my swimming suit on but sporting a quite visible erection with my cock leaking pre-cum as I had not taken the sight out of my step daughters slits in all the time they slept.

At one o'clock or so we opened the basket to have our lunch, turkey sandwich, water and fruit, and we heard some loud voices, somebody was coming. Amal and Samira quickly wrapped their towels around their bodies, then sat down again on the warm sand.

A blonde boy in swimming shorts with blue eyes about 11 years old came running chasing a ball together with a small girl of long brown hair around 9 years old behind him sporting only her bottom swimming suit, they did not realise of our presence and splash sand to us.

-*"Sorry sir, we did not see you"*- said the boy

-*"Oh, don't worry, it's ok. What are you doing around here boy?"*

-*"We live nearby and I just came with my sister to play at football"*

-*"Come on and join us for lunch please.."* - I said making my step daughters uncomfortable as they were still nude under their towels

I got chatting with the boy and his sister whom both got impressed when they learned that Amal and Samira were Somalian and then started to ask a barrel of questions about the country, to which I responded with jokes.

-*"In Somalia everyone goes nude all the time in the streets..."* - I said much to the surprise of my sweet step daughters

-*"Oh, really?"* - said the boy sceptically -*"Well, why aren't they nude now then?"*

I turned towards Amal my little 8yo stepdaughter and I ripped off her towel leaving her cute little girl nude body out in the open much to the surprise of the boy and his sister. Then I did the same to Samira my other 10yo stepdaughter.

-*"You see! "* - the boy blushed -*" come on! I am sure you have seen before your sisters pussy! Haven't you? "* - This time they both blushed

-*"Since my step daughters have showed you her body I think it is fair for you too to get naked too"*

-*"My sister and me never see each other naked sir"*

-*"Well there is a first time for everything, come on boy, take off your swimming suit and show us how big is your dick, or are you embarrassed maybe we won't see it because it's too small"*

-*"Sir... "*

-*"I see you need help..."* - I pulled down his shorts quickly uncovering his erected hairless dick.

I smiled at the boy, I was probably the only one there who knew what his erected little dick meant and it flattered me to know that my two stepdaughters were arousing him, I approached closer and whispered to him

-*"Do you like my little daughter's pussy?"*

-*"Well..."*

-*"I don't mind boy, just enjoy yourself, why don't you jerk off looking at them?"*

*The boy stood in silence first, then he grabbed his small dick tightly and looking at Amal's smooth pussy and he started to masturbate under my little girls astonished sight.*

*My stepdaughters gestured to cover up but I held their hands until the boy had finished jacking off with a long dry orgasm and his precum was all over the sand.*

*At than point I also rubbed myself on top of my shorts looking at the boy little hairless dick with cum strickling down from the head and I glanced at 8yo Amal's Somalian brown bald pussy at the same time, suddenly I cummed inside my shorts, and that would not be the last time my preteen stepdaughters would serve my purposes.*
