### Boy Preteen Arrest

I was a twelve years old boy little rascal and my brother was nine at the time when the cops caught us stealing sweets at the local corner shop.

The policewomen took us to the station and put my brother and me together in the same room, then one of them said:

-“Ok, take off your clothes kids”

-“But I thought I only could be searched by other male officer” - I protested

-“You are only a little boy, there is no need for that, come on hurry up before I get angry!”

Me and my little bro took off our t-shirts, shoes and trousers and stood up looking down red faced wearing only socks and small underwear in front of those two grown up women.

-“Everything!”

-“Everything? No I can't, please!”

One of the policewomen took out her truncheon and looked menacingly too us.

-“Maybe you need some help after all!”

Grabbing my little bro by his arm she pulled down his shorts leaving his small hairless dick uncovered then laughed looking at her sidekick.

-“Look at how small this is Angela! I hope his brother has a bigger thing!”

I held onto my underwear by its waist with a tight grip but she just ripped it out by its side and held my arms on my back letting my dick and its my first pubic hairs on display.

-“Look at that Angela! The little preteen is growing some hair down there!”

-“Let's see what the others think of his size” - she called another female officer who came in laughing, at that point I got a small erection.

-“What a pig! Look what the kid is doing” - the policewoman behind me quickly spanked my ass with her bare hand.

- “Take it down! Take it down!” - but the more I tried the more difficult it was, the two policewomen took me by my arms and still nude dragged me outside without too much resistance, I thought they would give a prison uniform or something instead they opened a big grey heavy door and took me inside holding my wrists while I realised I was in the cells corridor all full of men who would look at me and make lewd comments.

At the end of the corridor they opened another door and took me into a shower which the policewomen turned on with very cold water coming out the policewomen pushed me inside the shower, my dick came down like a sand castle in between their laughs.

- *“Look at how small it gets now Angela! I bet the 12yo boy can't hold it for more than two minutes”* - one of the policewomen approached with a towel and started to rub my body for my own and her own enjoyment right until I had a dry orgasm on her soft hands while she laughed and smiled at me while I blushed.
