Chatlog:Mummy of two preteen boys

<someguy> is tony the 8yo or the 11yo?
<mummy> tony is 11, james 8
<someguy> mmmmmmmmmmmmmmm bet they are really cute too :)
<mummy> yeah they are!
<someguy> Tony should be reaching the peak of his boyish beauty soon. Most boys do that around age 12.
<mummy> I expect tony to grow some pubic hair when he reaches 12, he already gets funny down there...
<someguy> any peach fuzz down there yet?
<mummy> not yet! but he's got a big pecker
<mummy> james of course nothing yet too and a smaller one
<someguy> :)
<mummy> tony even gets hard ons in the bath! lol
<someguy> :))) has he had any dry orgasms yet?
<mummy> yeah quite a few! and he blushes a lot
<someguy> ooooooooooooo would love to give him one
<mummy> i try not to embarrass him and turn him around in the bath when he gets hard
<someguy> has he had the orgasms on his own or has he had help?
<mummy> that is a tough one!
<someguy> why is that?
<mummy> tony leaked precum last week when I was drying him with the towel, and then had a dry orgasm but did not mean to do that! lol
<mummy> the boy had an orgasm on the towel!
<someguy> cool!
<someguy> think he'll start wanting to dry himself?
<mummy> he blushed a lot! I had to comfort him and tell him it was normal for boys and not to worry
<mummy> I am now going to be more careful when doing that thought
<someguy> he must be a very sensuous boy
<mummy> oh, yeah, they both cuties when nude in the bath and their dangling things wet
<someguy> I'd love to bathe them both together :)
<mummy> lol, most men would!
<mummy> and probably the boys would feel more comfortable if a man

bathed them

<someguy> yes I'd take care of any erections that came up

<mummy> I bet the boys would not mind that much if it was a man who did, you both understand each other

<someguy> yes

<mummy> cool

<someguy> you wouldn't mind if I did that?

<mummy> it all comes down to experience, ever bathed boys?

<mummy> it can get messy at a times, not that easy

<someguy> :) but fun

<mummy> oh yeah! lots of fun! :)

<mummy> until the splash your clothes! or run out of the bath nude! or stuff!

<someguy> wouldnt bother me

<mummy> many men say so until they find themselves there

<someguy> have many men bathed them?

<mummy> my last bf stopped bathing the boys because of all the work it took

<mummy> i only had two bf bathing the boys

<someguy> well my interest would be in the boys

<mummy> so you would not wash them properly would you?

<someguy> oh yes but I'd take my time and enjoy the smooth young bodies

<mummy> like sponging their dickies and stuff?

<someguy> and caressing those smooth tummies

<mummy> and cute ass too... :)

<someguy> cute all over I imagine

<mummy> yeah very cute, my last bf would jerk off thinking about the boys

<someguy> did he ever do anything with them besides bathing?

<mummy> he liked to touch himself in front of the boys

<someguy> what about touching them?

<mummy> of course he had to touch the boys to bath them! lol

<someguy> I hope he didnt rape them or anything like that

<mummy> no he didnt of course, all consensual, the boys had fun

<someguy> good. We'd definitely have fun.

<someguy> I would love to give Tony his first wet load

<someguy> I'm sure they are lovely boys. Wish I could find a mother like you around here.

<mummy> lol, well you always can relief yourself thinking of it

<someguy> yes :)

<someguy> I presume the boys are asleep now

<mummy> yeah they are, i put them in bed after the bath

<someguy> well if you go in to tuck them in give each of them a kiss from me :)

<mummy> sure i will, easy to do!

<mummy> next time i will rub their asses in the bath for you too! :)

<someguy> and give each of their smooth tummies a gentle rub :)

<mummy> yeah! :) I know you men love that!

<someguy> mmmmmmmmm do you rub their bellies a lot?

<mummy> yeah they boys love that too! and they laugh when i do!

<someguy> We would get along splendidly!

<mummy> i think so, u seem a nice man

<someguy> thanks. well I have to go. I enjoyed chatting with you about your boys

<mummy> yeah, i'll see you around honey

<mummy> bye
