Little porn actresses

Rose is a 10yo girl, she is brunette of long hair and dark eyes, totally flat chested and good looking. She has one stepsister, Janet, and 8yo blondie little girl of blue eyes, totally opposed to Rose's looks, Janet and Rose have different dads, and they both left their mum a long time ago.

Their mum lives on little money in England so she has decided to get some extra income by making their daughter's work, is not really like work as the girls enjoy it so much getting men's attention.

Today there is a special client at home, a middle aged man in his fifties, he loves little girls and the thought of two of them doing a lesbian show is too much for the man to resist, he has paid £20, for having Rose and Janet kiss and lick each other's bald cunts while he films a porn movie starring the girls.

The little lolitas aren't really lesbians but they do not mind doing that, they actually find it silly that men will pay so much money for just looking at them eating each other pussies..

Rose starts to undress, the camera focus on her chest as she does so, the client films her close up, the camera follows Rose's movements as she is ordered her

to pull down her knickers slowly so the man can film her tender bald 10yo pussy on slow motion. Rose smiles for the camera as all this happens.

Janet, her blonde 8yo sister does as told too, her mum is there watching and she does not want to upset her doing a bad performance for a client, Rose turns towards her sister and helps her out undressing making sure the client gets to film the best parts of Janet, like her bald pussy, as soon as Janet's knickers are around the ankles of the 8yo girl, Rose kneels down and licks her smooth slit making her sister moist and horny, Janet never though her older sister was so good at licking pussy. Janet's already had grown up men going down on her and she liked it but never thought another girl licking her cunnie could be nice too.

The problems start, the man is not happy about the little girls performance he complaints he can't see a thing as Rose's head licking her sister pussy hide all the action.

To much of the little girls annoyance they have to stop until they reach an agreement, in the end mummy suggests 8yo Rose to get on her four on the floor and then Janet can lick her slit from behind also on her four.

As the man wants a full film he makes the little girls undress and start all over again, this time the girls undress on their own again very slow in front of the camera man so he can get the best bits of them, little Rose gets on the floor followed by Janet right behind her who then proceeds to lick her 8yo sisters bald slit as the client films it all from one side. Janet makes sure all the action can be seen so she only sticks out her tongue and licks softly her sister tight slit but without sucking or getting her lips too close. It takes Janet only a few minutes to moist again her little sister pussy, the tip of her tongue slips inside sis vagina and she moves it around a bit that is when Rose seems to go crazy.

The client encourage them and congratulates the little girls for the good show, he sets up the tripod with the camera, then pulls down his trousers and

underwear letting his hard big cock free, he positions himself in front of Rose's mouth, kneels a bit and tells her to suck it.

Janet wishes it was her, she loves cocks much more than her little sister pussy, looking at Rose sucking the client's big dick makes her cunny wet, she hopes her mum won't think of her as a slut, after all she is already 10yo so it's only natural she likes cock.

Rose has lost count of how many clients cock she has sucked in all of her 8yo life, she knows far well what to do, and fits all the big leaking shaft around her lips as her sister still licks her pussy from behind at the same time.

- "Uppppppsssss!!wowwwwwwww!ufffff"

Again, another happy client who cums in under five minutes, the man has spilled all his white thick secretion on the 8yo cutie face and shoulders, the half naked man ends up his time kissing Rose on her mouth, introducing his 40yo something tongue inside the girl's 8yo sweet mouth and twisting it around, then he withdraws to a chair and orders the girls to finish off the spectacle as he still has some minutes left and is entitled to them.

Janet hates demanding clients but after all she guesses that her sister must be in need of a good dry orgasm, so this time Janet sucks hard on her little sister pussy with lots of saliva dripping down Rose's legs and slit, right until Rose can't resist any more and has a little girl dry orgasm on Janet's mouth. Her sister holds her naked waist real tight so her bald pussy will experience the orgasm still with a tongue inside it, which makes it even nicer to feel.

Time is up, both girls head towards the bath where mum will make them clean and ready for someone else, Janet's pussy is aching for a fuck she hopes the next client will be an average one and won't ask for lesbian little girls, she did not get to enjoy much.
