Chatlog Mum Spanker

<minimax2> hi, you're a mom? how old are your kids? I'm 25,m
<mum_spanker> Tony is 11 and Juliet 8
<minimax2> it's a nice age. are you married?
<mum_spanker> yes I am
<minimax2> what does your nick mean? do you spank your kids
<mum_spanker> sometimes yes, so they learn
<minimax2> you're strict with them?
<mum_spanker> yes, kids gotta behave to be something in life
<minimax2> how do you spank them?
<mum_spanker> I use the newspaper rolled up
<minimax2> I see. bare butt, over your knee?
<mum_spanker> they gotta face the wall, and then do 30min corner time
<minimax2> does the newspaper sting a lot? i only heard it works good for puppies :)
<mum_spanker> it doesn't hurt them but it makes noise
<minimax2> do you spank them on bare?
<mum_spanker> yes of course, they still kids
<minimax2> do you make them undress?
<mum_spanker> I usually undress the kids myself
<minimax2> from the waist down?
<mum_spanker> yes only waist down, I leave the clothes around ankles so they cant move
<minimax2> are they shy about nudity?
<mum_spanker> only Tony is, probably because he is a boy
<minimax2> well, yes, and he's older too
<mum_spanker> but he's still smooth down there he shouldn't embarrass
<minimax2> do you often see him undressed?
<mum_spanker> not much only spanking,bathing and dressing time
<minimax2> do you bath him still?
<mum_spanker> yes of course, he's only 11yo
<minimax2> changing his clothes too?
<mum_spanker> yes I help Tony in that too
<minimax2> he doesn't mind?
<mum_spanker> always done, why should he mind

<minimax2> well...doesn't think he's too old for that already? :)

<mum_spanker> hes made some comments about it yes, but I've told him that as long as he is a smooth boy i will help out

<minimax2> i see...like, so far it's ok for mom to see him? :)

<mum_spanker> that's right, hes got nothing to say

<minimax2> and when he has to be bare for spanking...he doesn't like that?

<mum_spanker> yeah he doesnt like, but its because of the guests mainly

<mum_spanker> got dc..

<minimax2> hi again

<minimax2> and when he has to be bare for spanking...he doesn't like that?

<mum_spanker> yeah Tonys being silly about that

<minimax2> in what way? does he protest, or cover himself?

<mum_spanker> both,first complaints and then tries to cover up

<minimax2> what do you tell him?

<mum_spanker> I slap his ass until he places his hands over his head

<minimax2> I see. make him stand still in front of you like that?

<mum_spanker> I only do so he stops being a silly boy

<minimax2> well, being ordered to undress, that's kinda different. it's understandable that he doesn't like that

<mum_spanker> i am his mum after all, and all hes gotta do is to learn to behave properly

<minimax2> you ever let your kids be nude around others?

<mum_spanker> if we have guests and they nude they gotta keep it that way

<minimax2> after spanking? or why were they nude

<mum_spanker> spanking time or bathing is when the kids go nude

<minimax2> before bath, you mean? do you undress them before bathtime

<mum_spanker> yes of course I do

<minimax2> your friends could see?

<mum_spanker> two of my gfs seen the kids naked yes

<minimax2> they weren't kinda surprised at first? :)

<mum_spanker> yeah because Tony is 11, but i told them its ok

<minimax2> yes, i suppose even if they were surprised, they probably thought it was cute too :)

<mum_spanker> yes that's what they told him not to hide

<minimax2> how did you do it...did you undress him before your friends?

<mum_spanker> oh no! I would never do that!

<mum_spanker> I just invited my friends to come and talk to me as I was bathing the kids...

<minimax2> I see...but for Tony it probably didn't make much difference, I guess he still didn't like

<mum_spanker> its just little boys silly stuff as usual, the best is to ignore it

<minimax2> did he try not to show his body too much, in front of them?

<mum_spanker> he put his hand on hid smooth dickie first and the women laughed at it

<minimax2> i guess he just didn't expect them to walk in too
<mum_spanker> yeah he didn't know we had visitors
<minimax2> what did you tell him?
<mum_spanker> that my gfs were gonna chat there with me so i can bath him meanwhile
<minimax2> did he protest?
<mum_spanker> yeah he tried to
<minimax2> what did you say? or he just gets a couple of good smacks to stop him arguing
<mum_spanker> i basically invited my friends to get a sponge and soap him all over for protesting,lol
<minimax2> that must have been quite tough for him
<mum_spanker> he couldn't stop us and we had a good laugh,lol
<mum_spanker> he got used quickly
<minimax2> got more relaxed after a while?
<mum_spanker> yeah, he realised it was too late to cover up
<minimax2> did they move his hands?
<mum_spanker> we told him how cute he is
<minimax2> so your friends told him pretty much the same thing as you, that he doesn't have much to be shy about yet? :)
<mum_spanker> that's right, and that they have seen plenty of boys nudie before
<minimax2> does he get erections?
<mum_spanker> not when there are many women looking
<minimax2> yes, probably he was still feeling too uncomfortable
<mum_spanker> he better get used to, he's still a bout
<mum_spanker> boy
<minimax2> did they wash him down there too?
<mum_spanker> yeah of course
<minimax2> pulled back his foreskin?
<mum_spanker> yeah his head still there :)
<mum_spanker> that's what they aid
<mum_spanker> said
<minimax2> you mean, head's covered? i think that's normal
<mum_spanker> they washed a lot his chest and butt
<minimax2> but he has no problems with it? could they pull the skin all the way back
<mum_spanker> Tony cried a bit, it was funny
<minimax2> maybe he just didn't want them to touch him there
<mum_spanker> I don't know really, but he had to do corner time for being silly
<minimax2> still naked?
<mum_spanker> yes that's why, so he gets used to it
<minimax2> do your friends make any comments about how he looks, about his body?
<mum_spanker> oh yes! all the time!
<minimax2> such as?
<mum_spanker> "oh my! still hairless at 11";"cute little boy";"he sure is a hottie" and women's stuff...
<mum_spanker> gonna send him over with Tanya for a week or so
<minimax2> send where?
<mum_spanker> over to her house
<minimax2> so she can look after him for a while?

<mum_spanker> yes she's asked me for that
<minimax2> she'll probably be quite strict with him as well :)
<mum_spanker> it does the matter it will do him good
<minimax2> will you allow her to spank him?
<mum_spanker> yes that's a given
<minimax2> poor boy :)...with you he's at least more or less used to it
<mum_spanker> at the end of the day he's still a lil boy, he's got no right to complaint
<minimax2> you ever let him see you nude? or topless
<mum_spanker> sorry gotta go
