**Introduction:** A spanking mum chats about punishing and humiliating her 11 year old little boy and her 9 year old little girl.

Codes: (bb,M,F,humil)

### **Chatlog:Spanking Mum**

<handrus> hi, you're a mom? how old are your kids? i'm 25,m  
<spanking\_mum> tony is 11 and juliet 9  
<handrus> i see. do they get spanked often?  
<spanking\_mum> around twice a week  
<handrus> very unruly kids?  
<spanking\_mum> very noisy yes  
<handrus> how do you punish them? spanking mostly, if it's for something serious?  
<spanking\_mum> mostly by hand and they gotta face the wall after that  
<handrus> i see, like a corner time?  
<spanking\_mum> they do corner time after spanking  
<handrus> yes, i understand. how do you spank them? bare bottom, over your knee?  
<spanking\_mum> bare bottom of course  
<handrus> what position do you prefer for spanking?  
<spanking\_mum> facing the wall as usual  
<handrus> do you make them undress first?  
<spanking\_mum> yes of course  
<handrus> from the waist down?  
<spanking\_mum> yes and i leave their undies around their ankles so they cant move  
<handrus> yes, and harder to kick their legs too :)  
<spanking\_mum> thats right  
<handrus> are they shy about nudity?  
<spanking\_mum> only when we have guests  
<handrus> they still could get spanked in front of your friends?  
<spanking\_mum> yes of course nothing wrong with that  
<handrus> do you let them get dressed before corner time?  
<spanking\_mum> no way!  
<handrus> i bet they didn't like your friends watching  
<spanking\_mum> yeah i know but its part of the punishment to remain naked on the corner  
<handrus> what do they wear during punishment usually? just their t-shirt?  
<spanking\_mum> t-shirt yes, but their socks and shoes can be on

<handrus> do you often see them undressed?  
<spanking\_mum> everyday when i put their pajamas on  
<handrus> before bedtime, getting them ready for bed?  
<spanking\_mum> yes, and sometimes when i bath them too  
<handrus> they don't mind?  
<spanking\_mum> oh no! they only little kids, and all smooth  
<spanking\_mum> ok tony minds a bit because he is aboy but thats all  
<handrus> doesn't like you to wash him?  
<spanking\_mum> yes i like it too :) he is so erotic when nudie...  
<handrus> sure, they're cute at that age :)  
<spanking\_mum> like little angels  
<handrus> do you let them be nude around others too? or only during spanking  
<spanking\_mum> some of female friends want to see tony sometimes they like him too, so I just take him from bed nudie for them to see  
<handrus> i see :). when he's already in bed, in the evening?  
<spanking\_mum> yes thats only if i have late visits, tony doesnt mind that much  
<handrus> how you do it usually? undress him in front of your friends?  
<spanking\_mum> yes, well tony doesnt have anything under his pajama so I bring him to the dinning room and pull down his bottom pajama infront of the women then make him turn around, dont usually take off his top  
<handrus> do they make comments? about him being a big boy already :)  
<spanking\_mum> yeah they tell him how beautiful he looks and stuff,sometimes bring him chocolates  
<handrus> he ever gets erections?  
<spanking\_mum> yeah some women like to make him stiffy ant touch his dickie a bit  
<handrus> probably your friends wanted to see if he can get hard yet :)  
<spanking\_mum> oh they know far well he can! told them already, they just get horny teasing him  
<handrus> how they do it...rubbing him?  
<spanking\_mum> soft rubbing yes  
<spanking\_mum> usually i hold tony for that he giggles  
\* Looking up handrus user info...  
<handrus> i guess his penis isn't really big yet?  
<spanking\_mum> nope, he is only 11, and smooth not a single hair yet  
<handrus> what do you friends say usually, when he gets 'stiffies'?  
<spanking\_mum> they giggle and make jokes but I think they wet down there  
<spanking\_mum> its only women's fun all innocent  
<handrus> it doesn't bother tony if they touch him down there?  
<spanking\_mum> oh no! he knows we love him a lot! and it costs him nothing to play with us  
<handrus> do they pull back his foreskin?

<spanking\_mum> jessica does that yes  
<handrus> she must be skilled with boys :)  
<spanking\_mum> yes, she is a nurse and gets to see lots of boys penis  
<handrus> does tony seem to like it?  
<spanking\_mum> yes he is happy when we have visitors he knows there will be some present for him  
<handrus> you ever let him see you nude? or topless  
<spanking\_mum> nope i dont, he is too little to see naked women  
<spanking\_mum> he can see his sis thats ok  
<handrus> do they take baths together?  
<spanking\_mum> yes it saves me lots of times  
<handrus> i see :). so they're used to it, not shy around each other?  
<spanking\_mum> thats right, kids should be shy about each other even if they girls and boys  
<handrus> and during spanking...is it worse for them if your friends can see them get spanked?  
<spanking\_mum> juliet is fine because we all women there, but tony gets fussy  
<handrus> does he protest?  
<spanking\_mum> he does yes, but it only makes the women to laugh even more  
<handrus> how does he react...covers himself? :)  
<spanking\_mum> he turns around to show only his ass and hide his dickie  
<handrus> :) funny that he gets so fussy about it even when they've seen him many times and even 'played' with him  
<spanking\_mum> yes but he does not like seeing me spanking him because he cries  
<handrus> do you think he enjoys it when they're rubbing his thing? or mostly because he knows he'll get candy from them :)  
<spanking\_mum> i think tony likes a lot having all those women paying attention to him and touching his thingy for free  
<handrus> yes, i guess showing off a bit too  
<spanking\_mum> yes i think tony likes to make women laugh
