Diary of a little slut

My name is Mark and I am fifteen years old, I decided to write this diary so that one day I could remember the great moments that I spent with my little sister Eileen, she is eight years old, brunette with short hair, black eyes, and petite.

Monday:

It's the beginning of the week and I take Eileen to school, it is a pleasure to see her in the mornings wearing her white blouse, short blue skirt, long brown socks and shining black shoes, when my mum dresses her she does really a good job and spends a good deal of a time combing her hair in the bathroom, even though Eileen's hair is short.

After breakfast I hold her hand and we walk to school through the park, but on the way there we have a quick stop, she sits down on a bench takes off her underwear and slips it in my pocket then I proceed to apply lipstick to her.

Eileen is a little slut who likes to provoke men and boys at her school, for me it is a pleasure to help my sis as soon or later she repays me the favour.

We carry on walking to school I drop her and before she gets in I see Eileen lifting up her short skirt from behind to scratch her ass showing her little buttocks to a man with her daughter behind her whom unsuccessfully tries to look somewhere else full of embarrassment.

In the afternoon I pick Eileen back from school we stop again in the park where I clean her make up and she puts on her knickers again, then we head home.

Eileen tells mum that she has lots of homework to do and asks for my help, I complain but in the end I go to Eileen's room and as soon as I enter she locks the door with an evil smile, then she hugs me, kisses me in the mouth pressing her little body against mine and thanks me for my help in getting around mum's rules.

As usual I tell her I want to see her bald pussy to make up for my help, Eileen quickly undresses and lies down on the bed telling me how today she had caught her Maths teacher looking at her cunnie in class and how she spread out her legs to tease him, while saying this she starts to finger herself, I am already hard as a rock, it is time to demand my payment for helping her to be a slut, I unbutton my trousers let them fall around my knees with my underwear and my erected cock, I order her: "Suck my cock sis".

Eileen has no choice but to do as I say if she further wants my help, I hold her little head tightly by the hair with one hand and I feed the whole length of my prick between her sweet preteen lips as I shag her mouth, after a few minutes I cum and spill my cum on Eileen flat chest, with the white stuff rolling down until it reaches her bald pussy slit.

I have finished helping Eileen doing her homework, I go to sleep to my bedroom before kissing my 8yo sister on her mouth and wishing her good night. Mum couldn't be any happier about how well Eileen and me get on.

Tuesday:

Once more I take Eileen to school as usual, this time she has the cheek to bend down to tie her shoelace by the school's door, flashing her behind to a boy my age standing nearby, I wonder if is there anybody left in the school who doesn't know she's wearing no knickers...

In the afternoon she asks mum for my help again doing homework, this time I order Eileen "Get naked on the bed and spread your legs" she does so with a big smile. I kneel facing my little sister completely smooth pussy mound and I push my tongue over her fleshy opening savouring the scent and getting a taste of her cunt moistness.

I don't know how long I spent feasting on Eileen 8yo hairless cunt but suddenly her body would buck violently as she cums on the bed.

After the usual kiss on her mouth, this time with her juices taste on my lips, I go to my bedroom wishing her good night.

Wednesday:

Today Eileen has spotted an old man in the park walking his dog and she asks me to wait on the bench as she wants to try to have some fun with him.

Eileen walks alone towards the man, pretending to be interested on the animal she squats and lifts up the dog on her arms entrapping her short skirt at the same time and pulling it up so that the old man can see her young bald hairless pussy which makes him blush, but says nothing.

I just keep thinking what a little whore I have for sister, but I can't complaint as she keeps me happy whenever I want.

In the afternoon Eileen gives me the day off and does not ask for help with her homework, I suspect one of her "friends" in the school has fucked her

already.

Thursday:

I am still pissed off because of last night. On the way to school Eileen confesses me that she had finally got her Maths teacher to fuck her in the toilet, she called him from inside pretending to be feeling unwell and once in the cubicle she locked the door and rubbed her teacher's dick with her tiny hands making his Maths teacher dick hard quickly, then she undid his flies and lifting up her short skirt he fucked her tiny 8yo pussy hard.

Eileen promises me to stop fucking him once she gets the results for her exam.

It is now afternoon and we are already back home, Eileen sneaks me into the bath opening the door quickly and locking it tightly behind me, we take a bath together, she gives me a handjob with her tiny fingers and kisses all my body asking for forgiveness for last night's lack of sex.

I soak 8yo Eileen all over her body with soap and water, finger her little preteen pussy until she her juices flow provoking one of her dry orgasms, and once my little sister has relaxed I leave the bath before mum notices that I am not in my bedroom.

Friday:

Eileen's favourite day before the weekend, in the morning she is as happy as ever, she sees again the man with the dog, runs up to him hugging his body and pressing her little pussy against his leg, the man is surprised and looks around afraid that someone may see them, he asks my sister not to be so friendly with him, but I can tell by the way he looks at her short skirt that he's loving it.

Eileen chats him up and lifts up her skirt again while holding the doggie so that the man can rejoice at the sight of an eight year old bald pussy. I see him

handing her a card with his address to my sis inviting Eileen to visit the dog at his home over the weekend, she takes it and leaves.

Today in the afternoon Eileen required my help with homework again, time to claim my prize, "Take off your clothes and get on the floor with your legs open", I start to lick both of her nipples on her preteen flat chest and I run my hand down between her legs, after some probing I find her pussy hole and slid my finger inside making her moan I pump it until she has a dry orgasm.

Saturday:

Today Eileen puts on a red top and very tight jeans and after breakfast pleads with mum to allow her to go to the park to play, mum gives her permission but as expected asks me to go with her.

As soon as we get out of home Eileen smiles looking at me and begs me to sneak away to the house of the man she met in the park. We get there by bus in about twenty minutes, she knocks the front door and introduces me to the man, which makes him to feel uneasy but nevertheless he invites us inside, my sis plays with the dog and the man and me get chatting, I let it slip that my little sis fucks old men in exchange for money, he hands me £30.

Eileen has been listening to us and with a big smile takes off her shoes and jeans, of course no knickers at all on sight only a nice little girl hairless pussy, "Bend over slut" the man says as he unbuttons his trousers allowing them to fall around his ankles, then pulls down his underwear and he shows a big hairy hard cock which he slides into my sister's silky, expectant eight year old pussy, Eileen groans as he strikes his cock repetitively in a delicious rhythm. My little sister is at his mercy full of moans, grunts and sighs and the man's hands explore her touching all of her small girly prepubescent body, trying to squeeze her nipples with no luck as they are too small.

The old man's cock comes out of my sister damp cunnie and spits his warm cum on Eileen's back, then his cock deflates slowly, without even a clean up

my little sis puts on her jeans again and we leave with the promise of visiting him again next Saturday.

We spend all the money in sweets,ice cream,playing video games and eating at McDonald's. We get back home before it is dark and after watching a film on TV we go to sleep early.

Sunday:

Today mum and dad want to go to the market and neither Eileen nor me feel like it. Eileen is still wearing her pajamas, dark pink bottoms and long sleeved top, with yellow flowers drawings.

Our parents usually leave me and Eileen alone at home that's why Sunday is my favourite day.

As soon as Eileen sees through the windo our parents car leave she looks at me smiling and strips naked, Eileen likes to go around the house in the nude when we are alone, my little sister likes to tease me.

She realises my dick is already stiff Eileen unzips my flies, crouches at my feet looking up and takes my cock in her mouth, at first just holding it in enjoying the feel of my girth growing and hardening against her little tongue, then she slowly whirled her tongue around my base while softly sucking the tip. She continues by gently massaging my shaft with her tongue and gradually starting to suck until my cum goes down her little girl throat which she swallows savouring it greedily.

I still have time to feel my 8yo sister juicy pussy, I suck her nipples as she whispers on my ear "fuck my wet pussy bro". I gently position Eileen on her fours and I screw my preteen sister plunging my cock into her bald pussy making it slippery with her own juices, she arches her back as I slam once and again my hard big cock inside and we climax together.

I feel tired it's been a hard week and that little slut of my sister keeps demanding more and more but my dick does not get hard any longer, even when she teases me I can't fuck her again.

Bored Eileen reaches the vibrator mum has hidden under her mattress and she screws her little bald pussy on the sofa a couple of times more, then I bath with my sister and I get her pretty and decent for when our parents come back...

**** END ****
