**Introduction:** Story about Rose a blind ten year old girl being looked after by her daddy

**Codes:**(g,M,pedo,incest)

### Free hairless pussy sight

Fortune did not smile to me and after a horrible car accident I lost my wife and my ten year old daughter became blind. She had to stay in the hospital for one month and then was discharged home with me, her daddy.

She was a pretty blonde girl with long hair and blue eyes. I had tried not to change any furniture from place so that she could remember where everything was without crashing with it.

I was also determined to help Rose, my 10yo girl, as much as I could, she had always being bubbly and done everything on her own but now she would need my help for most of the things and I was determined to do my best.

After the first two days Rose got used to walk around the home and would not crash with anything, I would cook her food and iron her clothes, but on the third day she told me how stupid it was to iron her clothes, as she could not see them there was really no need for me to do it, which I agreed in the end.

On the third day I overheard the bath running...

-”Rose what are you doing?”- I said from the other side of the door

-*"I'm going to have a bath daddy"*

-*"You could get hurt Rose! Don't you want me to help you with it?"* - saying this I opened the door with worry only to see my little preteen daughter already nude inside the bath filled with soap and trying to cover up her flat chest and bald pussy with her hands.

-*"Oh daddy!"*

-*"Come on Rose, I have seen you before nakie don't worry"* - and she took off her hands from her cunt letting me see what a beautiful little girl she had become, I approached and started to soap Rose with the sponge all over her body, she seemed to enjoy it.

-*"Thank you daddy"*

-*"It's ok honey"* - I said kissing her cheek.

After I finished soaping Rose I washed her hair and then I made Rose to stand up in order to rinse her, my 10yo naked body was shining and my cock getting hard.

Rose got out of the bath, I helped dry her naked body, noticing that every time the towel touched her bald preteen pussy Rose seemed to like it and get shivers. Using the soft towel I rubbed my little girl hairless pussy dry for not less than thirty seconds

-*"You know Rose, I don't think you need clothes at all!"*

-*"Why not daddy?"*

-*"Well you look very pretty like this and you never go out anyway, nobody is going to see you nakie like this, why don't you try to live without clothes"*

on? I think you will save time dressing and undressing”

-”Well, I don't know daddy...”

-”You can try it once Rose, and if you are not happy your clothes will still be waiting for you in the cupboard”

-”OK, daddy I think you are right, I will try it”

And from that they on Rose would always go around the house nude, sleep nude, eat nude, play games nude.

I would enjoy it very much as I could see her little 10yo hairless pussy everyday from every angle, sometimes I would even stop and stare at her bald cunt and flatty chest without her realising.

Rose would now ask me for help every time she wanted to bath and it was nearly everyday which made me to suspect that she liked me rubbing her pussy with the towel when I dried her, my suspicions were finally confirmed when after the bath she left to her bedroom and I heard moaning, opening the door quickly I caught my preteen daughter fingering herself.

-”Oh...sorry daddy...”

-”It's ok honey..there is nothing wrong with that...you are a pretty ten year old girl and at your age girls rub their cunnies all the time, let daddy help you out...”

Sitting down besides her I introduced my finger inside her prepubescent bald vagina, I moved it around while my other hand rubbed Rose's nipples making my daughter moan.

I fingered Rose for five minutes making her bald pussy wet, then I placed my head between her legs and proceed to lick her pussy slit introducing my wet

tongue inside her, Rose trembled and in five minutes more she had cummed all over the bed, I caressed my little girl naked body until she felt asleep.

I was having a wonderful time with Rose, I would carry on bathing and drying my daughter everyday and once a week I would masturbate her, I even bought her a small dildo for a girl her age so that she could help herself whenever she wanted, and thanks to me Rose learned to give the best blow jobs a ten year old girl can give, she never bothered any more with clothes and everyday was little girl's pussy day for me.

After one month I bought a video camera and I asked Rose's permission to film her for my private use to which she happily agreed.

Knowing that she was going to feature in a video filled Rose with excitement. She posed for me in various erotic positions, I tried not to make evident that I wanted a first view of her bald pussy and small tits. I also filmed Rose once without her knowledge whilst she was using the dildo I had bought to her.

I would spend most of my time with Rose looking at her, bathing her or licking her delicious little girl pussy. One day talking to one of my neighbours about how my daughter was doing I let it slip that she was going around the house in the nude as she did not really need clothes because nobody could not see her anyway.

That neighbour came the next day with a bunch of flowers as a present for Rose and interested about her well being, she was behind the dining room door listening to everything we were saying and Rose got so happy about having a visit and someone asking about her that she totally forgot that she was naked and only wearing a pair of flip-flops Rose opened the door in the nude making herself seen and greeting the neighbour.

To avoid embarrassing her, we followed Rose inside, sat down in the sofa to chat while Rose was standing up smelling the flowers and thanking our neighbour for them.

We chatted about everything for about an hour, during all that time my neighbour seemed to have fixed his sight in Rose's hairless pussy all the time during the conversation, he probably felt disappointment when I said it was late and time to go to bed.

Once he left I asked Rose if she knew she had been naked all time and she blushed, but then we laughed together when I explained her our neighbour's face on seeing her greeting in the buff and his fixed sight on her cunnie, we decided that maybe we would invite him over again to make fun of him, and as for Rose, she had been going around naked for so long that she did not care any more, and in saying this she got out to the balcony nude and dancing, I could see a youth from the neighbourhood looking at her with surprise and enjoyment but I did not say anything and she came back inside the house not having a care in the World, still dancing shaking her body and singing: "who wants to see my little pussy", "my pussy is free to see".

Not surprisingly our neighbour came back the next day, this time with a box of chocolates, and once again Rose would come to greet him in the nude, that day we made an agreement with him that we would allow him to come to visit Rose every weekend if he brought a present with him every time he visited us, to which our nice neighbour happily agreed probably thinking that everyday he would get see Rose's hairless cunt, and my little daughter who could not care any less about being seen nakie, would get flowers and chocolate and other things she liked in exchange for a little show of her ten years old beautiful nude body.
