Guide for little girls

When a 9 year old girl lives alone with daddy he must make sure she learns about boys by getting her to undress in front of him and allow daddy to jack off looking at her childish pussy.

When bathing a little girl she will turn around and bend over allowing her daddy to look at her preteen pussy slit from behind, she will smile at him encouraging him to have a hard orgasm, if daddy feels he needs more the little girl will spread out her legs to let daddy penetrate her cunt from behind and as he does so she will just be allowed to moan and ask for more of the full cock to go into her wet hairless cunt.

At night a little girl will take off her pyjamas and will head towards her daddy's bed getting inside with him and pressing her nude little girly body against daddy. If daddy wants to fuck her the little girl will allow it, otherwise she just will hug and sleep next to him in the nude.

Once daddy comes back home from work the first thing the little girl will do is to offer her daddy a blow job as a reward to him for his hard day, she will ask her daddy if she needs to undress or not and then the little girl will kneel in front of him and opening his zip she will suck and lick his cock real hard until her daddy comes, there will be a choice of having the blow job standing up or sat down at the armchair.

On weekends the little girl will undress completely at home and will tease daddy by either sitting down on his lap with her little pussy pressing against daddy's cock under his trousers or performing some obscene poses (spreading her prepubescent pussy, touching her flat chest, sticking out her tongue to daddy, etc.)

If daddy feels horny the little girl will then allow him to fuck her as many times as needed.

If daddy brings home some friends her little girl will perform a striptease for them in the dinning room to entertain daddy's friends, and if asked and daddy aproves, the little girl will

allow the men at the house to fondle and kiss her, if daddy asks her to sleep and fuck with one of his friends she will do as told.
