### My niece Juliet

It was a during Summer time when my brother and his wife came to my house unexpectedly, they also lived in London, about twenty minutes from my home, and although we had a good relationship, we usually we only met on Christmas and some other rare occasion.

I worked at home, programming software for a games company, they knew they would find me home. My brother and his wife were a little excited, I could tell by the way they looked.

They told me they had won a prize with the local newspaper, a lovely holiday for two people in the Bahamas for one week with all the expenses paid.

My brother and his wife had never been abroad on holidays as they could not afford it, this was their once in a lifetime opportunity, the only problem was that the holiday only included two adults and they did not feel at ease leaving their ten year old daughter alone at home without anybody checking that everything was fine. They asked me if I could be so kind to make sure that Juliet was well looked after, to which I happily agreed.

My brother and his wife already had their suitcases with them, they were expecting a positive answer I guess After handing me the keys they said that

Juliet had already been warned that her uncle would be checking on her at least once a day, after that, still thanking me, my brother and his wife quickly got on the car and drove off towards the airport.

I spent the whole afternoon programming, in the evening I decided to go to visit my niece Juliet, a cute brunette preteen girl of big black eyes who was growing up quickly.

In just en minutes I was right at the front door, I got inside with the keys that my brother had given me, their house wasn't too big, two bedrooms, one dinning room and one bathroom.

It felt strange that the lights were off everywhere, I panicked a bit. Entering Juliet's bedroom I saw her on the bed sleeping with her clothes on, a light pink t-shirt and blue jeans, no shoes.

I sat down on the bed next to my 10yo niece observing her pretty curves all remarked because of her tight jeans, I caressed her soft hair candidly and she yawned all opening her eyes slowly.

-“Oh! Hi uncle! I am sorry I think I falled asleep after the cartoons...”

-“It's ok honey, it's quite late anyway...”

Juliet stood up and switched on the lights

-“Did you have your dinner Juliet? Your mum told me that she left you a nice chicken roast for you in the microwave.”

-“Yes uncle, I had the chicken while I was watching the cartoons, and I feel drowsy now...I had to help mum with the suitcases and it feels like sleeping until tomorrow, you don't mind do you uncle?”

-“Of course not Juliet! But you can't sleep with your clothes on! Don't you

have pyjamas?"

- "Oh yes I do uncle" - said Juliet grabbing a long light blue pyjama dress from the cupboard and throwing it to me

- "Well? Why don't you put it on?"

- "Usually mummy helps me putting on the pyjamas uncle"

- "Ok hon, come here!"

I was still sitting down on the edge of the bed when Juliet stood up in front of me stretching her arms all the way up, I grabbed her pink t-shirt from the edges and pulled it up uncovering her flat chest, I tossed her t-shirt on the floor without taking away my sight from her little nipples sticking out of her body, my dick started to respond to such a lovely sight and I had to move my legs to try and hide it.

- "Wow! You are very pretty Juliet! I don't recall you having such a pretty nipples when you were little!" - I told her whilst getting a handful of her sweet chest making her nipples to stand erect

- "Thank you uncle! I am glad you like them, I hope one day they will grown up much more"

I carried on unbuttoning her jeans and pulling them down around her knees, I took Juliet's jeans off her legs with her help while admiring Juliet's cute white knickers with a lace. I was drooling and wishing them to come off somehow.

- "Do you usually sleep with your underwear on Juliet?"

- "Yes uncle I do" - Juliet blushed as if knowing what I was going to say

- "Oh, but you have all this blot around your waist caused by your knickers

waistband placing pressure on your veins“ – I said unveiling a fine line marked on her flesh

– “I think you should take your underwear off tonight honey”

-“Uncle...I don't think it is a good...”- without letting Juliet finish the sentence I hurried to pull down her white knickers all the way down up to her feet leaving Juliet blushing, completely nude and showing me her hairless smooth pussy

-“Uncle!”- Juliet seemed embarrassed and placed both her hands on top of her 10yo preteen pussy

-“Come on Juliet don't be silly, I have seen your cunnie before when you were a little girl “ – while saying this I held both of her hands separating them from her body to admire her prepubescent hairless pussy and crack.

-“But uncle...”

-“It's too late now honey, your little pussy is here in front of me, why to cover it up now that I've seen it? I will tell you what sweetheart, tonight you will sleep in the nude and if you don't feel better tomorrow morning I will buy you anything you like, what do you say honey?”

-“You mean, not I can't wear pyjama uncle?”

-“Yeap! Nothing! Just try it once honey it will feel good” – saying this I pushed Juliet down on the bed and I tickled her all over her naked preteen girl body

-“Ha ha ha!” – Juliet twisted and laughed on the bed

-“It feels nice honey, doesn't it?”- I said smiling and one of my fingers slipped inside her bald hairless little pussy. Juliet closed her eyes relaxing and tired at the same time

-*"Chill out Juliet, uncle is going to give you medicine"* - I started fingering my little niece with no resistance from her, going quicker and quicker with my fingers all the way during around five minutes I kept fingering 10yo Juliet, right until her body trembled and some body fluids came out. It was Juliet's first orgasm! She opened her eyes looked at me smiling and said:

-*"Uncle...thank you so much, you made me feel so good"* - I squeezed Juliet's ass, lying down on the bed with her and kissing my little niece mouth passionately, we both fall asleep, naked next to each other and hugging.
