### Two little girls pay the price

I had reached the top, I was one of the most famous and rich persons on Earth, I never expected that my love for pop music would bring me so much wealth and fame one day.

I lived in a big mansion in the English countryside, very peaceful and isolated, as usual I had invited one of my female fans to spend the weekend with me. This 40 something year old woman brought along her two sweet daughters, Becky who was 12 years old and her sister Kate who was 10 years old. They both were very pretty and like their mother they were also blonde with blue eyes.

I sensed that her mother was only interested in my high lifestyle and money more than my music but I allowed her to get away with it as I enjoyed so much the company of her preteen daughters.

On Saturday the day looked marvellous, we decided to spend the day in in my private swimming pool tanning and drinking juice.

Becky came out with a small blue bikini and as soon as she got into the water

her small nipples could be seen through the textile, her sister Kate was wearing a full swimming custom covering most of her body although she was clearly flat chested.

I got to chat their mum who looked fat and ugly with her yellow bikini and every so and so I would glance at her daughters and comment how pretty they were...

-“I bought this Mansion because of the privacy it offers you know...” - I said

-“It's certainly great, yeah, and it's got everything you could need, even a private pool!”

-“The last family I invited over here even got their ten year old daughter to swim in the nude in the pool as it was only us”

-“Well kids are not like adults they can go nude anywhere they like”

-“I think you are right! Why don't you tell Kate and Becky to take off their bikinis? I think they will enjoy it!”

-“Oh...” - she blushed - “Becky is very self-conscious, her boobies are growing...”

-“Are you saying you are not going to use the opportunity I am giving you to enjoy yourselves in privacy?”

-“It's not that...”

-“Maybe you don't really want to be here after all!” - I looked away offended

-“Oh no! We are very grateful at your hospitality Mr. Roberts! Kate Becky come here!”

Her two little gems got out of the water giggling and wet

-“You two don't really need a swimming suit, this is a private pool and we are alone, take your bikini's off sweeties”

As she said that my head turned towards them and I smiled with lust.

-“Mummy! But he is looking” - complained Kate the ten year old girl

-“Mr. Roberts is like a member of the family don't be silly and take off your swimming suit Kate!”

Looking embarrassed Kate turned around and then pulled down her swimming custom showing off a magnificent soft delicate back and a perfectly rounded little girl ass. Her mum picked up the swimming custom throwing it aside and pat her daughter's ass at which point she giggled and ran into the water avoiding to show her front to me.

-“Now you Becky”

-“Mummy! I am not a little girl any more, I am not 10yo like Kate”

-“Yes you are a little girl! And you will take off your bikini or else!”

She blushed as I looked at her from head to toes.

-“Maybe Becky is right after all, she's already twelve” - I said

-“No! She is a little girl and she will take off her bikini now!”

Becky reached her back and undid her top letting it to fall down slowly and showing me her two little peach sized breasts still wet from the pool, she kept looking down.

-“The bottom part too Kate!” - said her mother

-“I can't mummy!”

Mounting in anger her mum stood up and quickly pulled down her girl's bikini bottom uncovering Becky's fuzzy hair pussy for a moment before Becky screamed and placed her hands on top of it trying to cover it up, her mum grabbed her wrists from behind and pulled them up leaving Becky's preteen body naked right in front of me, when Becky calmed down her mum let her go softly slapping her ass as she dived into the pool.

-“You have really pretty daughter's Ms. Williams” - I said

-“I just wish they were more obedient! These ungrateful kids think that everything comes from the sky, we are your guests and we will abide by the house rules!”

-“You really overwhelm me with your kindness and good manners Ms. Williams.”

I spent the next half an hour sipping a fruit cocktail and watching Becky and Kate playing nude in the pool. Twelve year old Becky's tiny boobies would bounce every time she splashed water to her sister and both of them seemed to take special care not to show their pussies and I was getting tired of waiting for them to come out of the water to get a good look of the little girls naked from the front, I grabbed a big towel and standing up I called the girls.

-“Yohoo!! Kate! Becky! You have been too long in the water now! It's time for you to get some rest!” - I hoped for the little girls to come and let me dry their nude and wet bodies, but they just looked at me mortified.

-“Are you girls deaf! Come out straight away!” - shouted their mother from the plastic chair.

Reluctantly both girls got out of the water with Becky keeping her hands on top of her fuzzy blonde pussy hair, as she did this I unexpectedly wrapped the big white towel around her and rubbed her body with it all over.

-“You are shivering sweetie, let me dry you properly” - saying this I started drying her tiny boobies wrapping the towel and my hand around them, this made Becky feel uncomfortable but not enough to keep her hands out of her pussy.

-“Everything must be dried sweetheart” - grabbing the towel from one end I introduced it in between the little girl legs, I could feel how the edge of the towel was getting into Becky's crack, I gently separated her hands getting a good look at the strip of wet blonde hair covering her pussy, I rubbed in with the towel.

Becky's body shivered at that point, I took the towel from her I had a good look again at her nude erotic 12 year old girl body.

-“Ready my angel! Next in turn?” - I wrapped her 10 year old sister with the same towel proceeding with the same ritual, with the difference that she had no boobies and her pussy was hairless but as I rubbed those sensitive parts Kate's body also shivered.

Both girls started to get comfortable being nude in front of me after a while, and they laid down on the floor with their pussies facing the Sun and warming up.

The girl's mum was on the plastic chair half asleep and I was standing next to her, blatantly staring at the little girls pussies, Becky and Kate had already realised of this and kept whispering to each other's ear and giggling.

I had been with a hard on for half an hour now, and I was quite confident that the girls had noticed it it.

-“Want some juice Kate?” - I said looking at the nude 10 years old girl

-“Yeah! I am thirsty!”

-“Come here sweetie you can have mine!” - As she approached to grab the glass of juice I was holding on my hand I grabbed Kate's waist sat her down on my lap, and moved Kate's little waist around my dick in a rhythmic movement with my big shaft pointing hard to her hairless cunt until I could not hold it anymore and I cummed on my shorts at the giggles of Becky and surprise of Kate.
