Three Little Black Devils

I decided that nothing was going to spoil my well deserved holidays and I wanted somewhere to relax, after all the noise and buzz of the city and the stressful job in the office there would be nothing better than a solitary beach paradise to spend one week just getting suntan and sleeping all day.

I had been planning this vacation for a really long time, looking up in the internet for an isolated place on the coast where nobody would bother me, I found it in a small village of France

I was able to book the house via an agency and they posted me the keys after taking the payment from my credit card.

On the website the pictures and descriptions looked lovely, I just expected there would be no surprises.

After getting to the house on Friday evening I unpacked my few clothes, swimming suit and suntan cream, after that being exhausted from the travel as I was, I went to sleep straight away.

The next day I woke up at ten in the morning, I ate my breakfast, made some food for a picnic, got changed into my trunks and taking the towel and the

picnic basket I headed towards the beach, ten minutes from my house.

As I expected it was a small beach, maybe seventy meters of coast but with nobody in sight it felt like my own beach, I just lied down on the towel enjoying the sunlight for an hour when I overheard voices, I looked up and I saw three young black girls standing next to me.

-“Hi!” - said the older girl - “I hope you don't mind if me and my sisters stay here, it just felt unfriendly going to the other side.”

-“No problem, sometimes it is good to have someone to talk with. You must be living in the house that I saw walking down towards the beach.”

-“Yes! The one with the red tiles, we come here every year with my parents but today they wanted to go to the market and I came with my sisters , my name is Jaquie by the way.”

-“Nice to meet you Jaquie, I am John” - in saying this Jaquie glanced at her sisters

-“Come on say hello! Don't so be so unsociable! “

-“Hello, I am Aisha!”

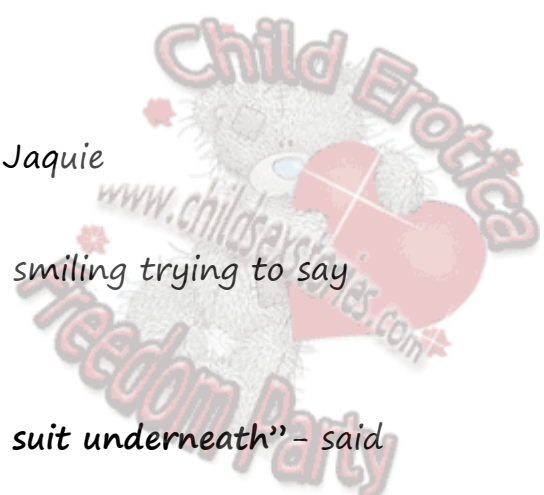

-“Hi my name is Sabrina”

-“Nice to meet you girls, how old are you?”

-“Aisha is 8yo, Sabrina 11yo and I am 16yo” -said Jaquie

-“And do you always take the sun dressed?” - I said smiling trying to say something funny

-“Oh! Of course not! We are wearing our swimming suit underneath” - said

Jaquie starting to undress pulling up her blue dress above her head and uncovering a well formed teen girl with firm tits and fit body sporting a skimpy navy blue bikini.

-*"That's a lovely bikini Jaquie!"*

-*"Thank you, I got it on the sales last year"*

Sabrina also pulled up her dress above her head and stood up showing off her small yellow bikini with no top, allowing me to appreciate her flat breast, small sized and with nipples like stings.

-*"You too have a pretty swimming suit Sabrina"*

-*"Thank you"*

And I had not finished yet talking to her when I realised that Aisha had already taken off her red shorts and white t-shirt tossed her clothes on the sand and was standing up fully nude right there, a little eight year old girl with a pussy as smooth as a peach not having a care about the world and smiling, she left me speechless and embarrassed.

-*"Don't you like Aisha's bikini?"*-Jaquie the older girl said making all of us to laugh

-*"Well, I have to confess that it looks very natural"*- I said trying to hide my hard on at the sight of Aisha's prepubescent bald pussy

-*"She's still a little girl she doesn't need one"*- said Sabrina

-*"You are also a little girl and you have one, you silly cow"*- said Jaquie to her topless 11yo sister Sabrina

-*"No I am not! My titties are growing up!"*

-*"Yes you are a little girl! You are!"* - Jaquie carried on

-*"No I am not!"*

-*"Yes you are! You have no pussy hair! You are smooth like Aisha!"* - said Jaquie making Sabrina blush

-*"No I am not bald! It's starting to grow up!"*

-*"Liar! You should go naked like Aisha!"* - Jaquie looked up at me searching for support at trying to humiliate her sister Sabrina

-*"Well if that is truth I suppose we only have a way of knowing"* - I said mocking her

Jaquie blinked her eye to 8yo Aisha who was standing behind Sabrina, as if reading her older sister mind, little Aisha placed her small fingers around Sabrina's swimming bottoms and quickly pulled them all the way down at once leaving her eleven year old black sister fully nude with her bald pussy facing me, Jaquie then started laughing. a

Sabrina pulled up her bikini bottoms back up and very angry stared with anger at Aisha saying:

-*"I am going to smack you until your ass is red you little rascal!"* - this made 8yo Aisha to run behind me in hiding

-*"Come on Sabrina don't get angry with your sister, she only tried to make a point"* - I said

-*"She pull down my bikini bottoms and showed you my pussy! Aisha must be punished!"*

-*"There is nothing wrong with that Sabrina, Aisha is always showing her little pussy and nobody gets angry. I propose you a deal...If you sunbath in the nude I will do the same! Come on Sabrina, what do you say?"*

Sabrina seemed confused - "you mean...take off everything..."

-*"Don't you want to see a man's cock? I will take off my bottoms if you take off yours! "*

-*"But you will see my pussy again then"*

-*"Don't be silly Sabrina, I have already seen your cunnie two minutes ago, what do you care if I see it again?"*

Sabrina thought about it for a few seconds and pulled down her bikini bottoms slowly tossing them aside once they were off, she then placed her hands on her waist in a provocative and defiant gesture with her hairless pussy and slit prominently uncovered then said:

-*"Here it is my cunnie!It's your turn now!"*

-*"What about you Jaquie? Are you going to join us?" - I said looking at her elder sister surprised of how things where turning around*

-*"Mmm...Are you really going to show us your cock to us?"*

-*"Of course! If you take off your bikini too I will Jaquie!"*

Doubting a bit, 16yo Jaquie undid her bikini top parading a delicious pair of shining black flexible breasts, she then pulled down her blue bikini bottoms allowing her sisters and me to look at her hairy bush.

-*"Nice pussy for a 16yo Jaquie. Ok, Come on girls line up if you want to see a man's cock!" - I shouted*

There it was right on my eyes, the most beautiful sight in the World:

Aisha, a cute black eight years old girl, small pussy and flat chest, Sabrina an eleven years old girl, small developed puffy boobs, stiffy nipples, with a pinky hairless prteen pussy slit discerning out of her lovely black body, and Jaquie, their sixteen year old sister with well developed tits, hairy pussy and a sparkling smile, all excited at the thought of watching a man's cock in first row.

I could not hide my hard on for any longer. I pulled down my trunks showing those girls my big fat cock with its moist head clearly about to exploit.

-*"Why is it so big?"*

-*"Wow!"*

-*"I saw it once on TV but it looks much better for real "* -

The three girls drooled at the sight of my hard cock.

-*"You can get closer if you like. It doesn't bite you know?"* - the three naked black sisters sat down next to me without taking their eyes out of my big erected cock.

-*"Why don't you all three touch it at the same time and you will see how soft it is?"* - I did not have to say it again, 8yo Aisha's little hand was holding cupping my balls, 11yo Sabrina's hand was caressing the hard shaft and 16yo Jaquie's hand was jacking my cock head, it only lasted five minutes before I shoot my load on the three black girls and their pussies naked.

-*"What is that white stuff?"* - 8yo Aisha enquired

-*"Don't worry about it sis you are to little to know it yet"* - said Jaquie

-*"I bet I could fit it in your pussy Jaquie. Don't you want to try it?"* - I said looking at her lasciviously.

-*"You mean..."* - before Jaquie had finished her sentence I had positioned myself on top of her with my hard on already recovered I introduced my cock in her warm tight virgin 16yo pussy.

-*"Mmm...It feels nice..."*

-*"And it will feel better at the end sweetheart "* - I said throbbing my fat hard cock rhythmically riding inside her cunt.

-*"Oh..yes!"*

-*"Does it feel good?"* - said Sabrina looking at her older sister pussy getting fucked.

-*"Good? It feels great! This is Heaven!"*

I went on fucking Jaquie, striking her tight teenager pussy in and out with my solid cock and making her moan loud, until she finally had an orgasm and her pussy juices flowed while her little sisters watched everything.

Our bodies shivered together, I pulled my dick out of her teenager cunt, and wiped the cream on her tits leaving my cum all over her delightful firm breasts.

I lied back again on the towel observing the naked little girls, staring at 11yo Sabrina pussy and 8yo Aisha meaty mouth lips I imagined the week lying ahead of me and how I would teach these three girls everything about sex before the holidays were over.
